

All new F-1 students should complete the following steps to fulfill AUM's new international student check-in process:

1. **Attend all three days of the mandatory International Student Orientation**
 - a. If you enter the country after the mandatory orientation, you must attend a make-up orientation session later in the semester
2. **Get your Warhawk Student ID**
3. **Complete the Warhawk Health Services requirements, including but not limited to a TB Skin Test**
4. **Pay the \$1000 international student check-in and enrollment deposit**
 - a. Please note: this payment is a *deposit* that will be applied to your student tuition and fees account upon successful check-in at AUM. The deposit is non-refundable.
 - b. This deposit facilitates the check-in and enrollment process for all students, but also allows us to enroll you in classes on time if you arrive late due to visa or travel issues. This will help you to avoid missing out on required classes due to a late arrival.
5. **Complete the Office of Global Initiatives Immigration Check-In process**
 - a. At this appointment, you will complete OGI's required forms and submit copies of your passport, visa, previous original degree/diploma, official transcripts, I-20, and I-94.
6. **Register for a full-time courseload**
 - a. 6 credit hours for graduate students, 12 credit hours for undergraduate students
7. **Pay for tuition and fees (or enroll in a payment plan)**
 - a. Your \$1000 deposit will be applied to this bill
