

Application Timeline and Process

1. Two Step Admission Process:

- ◆ **First Step:** Apply for admission to Auburn University at Montgomery www.aum.edu/admissions. Please allow **at least four weeks** to complete this process. Full admission to AUM is required before applying to the School of Nursing. Students on Academic Probation or Suspension, and students with provisional university admission cannot be considered for admission to the upper-division nursing program.
- ◆ **Second Step:** After full admission to AUM is achieved and majority of the pre-nursing coursework is completed, then students must submit a separate application for the School of Nursing upper-division nursing program. There are two entry terms for the upper-division nursing program – in the Fall and Summer semesters. Applications will be available on the website www.aum.edu/nursingandhealth as outlined below or the link will be emailed to you if you are eligible to apply.
