Hello all,

The online payment option for GEARSEF registration has been added to the website. https://www.aum.edu/collegeofsciences/gearsef/gearsef-student-parent-and-teacher-information/

Scroll down the page and click on the orange tab (Project Payment Form).

In the Marketplace options you will see the tab for GEARSEF. Click on the tab and you will be prompted to select "registration" or "late registration". If student projects are completed in STEM Wizard by Feb. 13th, then select "registration $35". If student projects are completed in STEM Wizard between Feb. 14-27, then select "late registration $70".

You will be taken to a page where you select the quantity. This is the number of students (not number of projects) that you are sending to GEARSEF. Then click "add to cart"
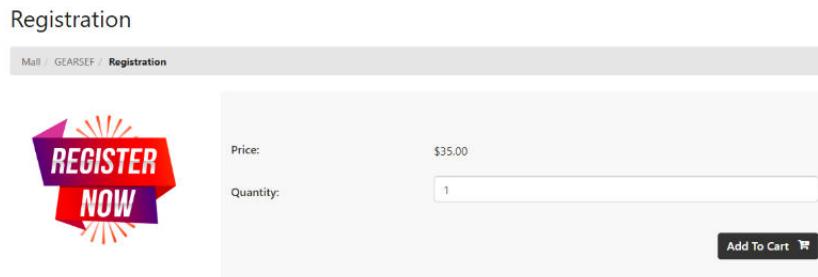

You will be then be sent to a new page where you are prompted to "checkout". This will send you to another page, where you are prompted to enter the following information:
