CERTIFICATION:

Based on the joint ACE-AAUP policy statement "On Preventing Conflicts of Interest in Government-Sponsored Research at Universities. " I certify that the above activities will not involve conflicts of interest with either the government or other activities that I currently have underway at the University, and that in the event conflicts of interest situations should develop in the future, I will promptly advise the proper authorities so that appropriate corrective action can be taken. I certify, further, that these requested activities will not interfere with my other University duties and responsibilities in teaching, research, and extension and I will take appropriate action to eliminate such interference if it should occur in the future.
